# Knife Box Rebuild

If your knife boxes have seen better days because of cheekwood wear, don't buy new ones, save money and let us rebuild them. It isn't necessary to buy a complete new knife box when all that is worn out are the sides. We can replace the sides and all of the components to make your knife box like new again. If you have any questions about this or any other pressroom related parts, please give us a call.

Quantity	Part Number	Description	Price Per Part
1+	*	Knife Box Complete Rebuild  Includes: Cheekwoods, Knife Blade(s), Cushion Springs, Plain and Pin Knife Box Sides  We Will Set the Knife Heights to Your Specifications	\$1,300.00 Each

\*Part Number Depends on Knife Box Being Rebuilt

Note: Prices Subject to Change Without Notice
