Goss™ Colorliner Extended VSI Rings

We made these extended VSI Rings for a customer who later decided to cut their VSI Rollers and use standard length VSI Rings. They measure 5" from the inside face to the end of the ring and 6" overall length. Take advantage of this special pricing while they last.

If you have any questions about these or any other pressroom related items, please give us a call.

Quantity	Part Number	Description	Price Per Part
1+	PPP-C130264-ER	Colorliner Extended VSI Ring	\$130.00 Each
